Hi Jayne,

This is the one record I identified that did not have you or Don cc'd. However it is simply a forward of an email that does have you and Don on it, so it may not rise to the level of inclusion in the response.

Thanks,

Lynda

All--

After reading over the TPs this morning, I made a few more updates to reflect likely change to the Nov. 15th deadline and our decision right before the shutdown that we would seek public comment on ag before making a final decision (therefore, can't say the state has met 37 of its 40 conditions anymore). See changes in redline-strikeout attached.
